

The H.I.L.L. of Northeast FL

Mentoring Latinos to Their Personal Best

Transforming the Latino Narrative in Florida: Developing Culturally Effective Programs to Impact Latinos Well Being

The H.I.L.L. of NE Florida presents a workshop that will:

- Provide some historical context of Latino Identity in the U.S., Latin America & the Caribbean and examine the racialization of Latinos in the U.S.
- Explore the strength of Latino culture and values
- Develop a deeper understanding of systemic inequities
- Examine significant data impacting Latino communities
- Engage participants in strategizing for policy, program & community change within institutions serving Latinos and other people of color.

This one day workshop is a professional development opportunity for people who work in or want to learn more about Latino communities. It is designed to engage participants in critical analysis of cultural world view, core values and major influencers to achieve sustainable equitable outcomes.

Date: April 15, 2015 - 9am-4:30pm
Beaver Street Enterprise Center - Event Hall
1225 Beaver Street,
Jacksonville, FL 32204

Cost of the workshop is \$100.00
For more information contact:

What are culturally effective programs?

Cultural effective programs have a deep understanding of individual/ institutional cultural identity, cultural values and how those values influence the way that individuals interact with people from different cultures. Through cultural understanding, you can also gain knowledge of American cultural values and communication styles and learn how to use that knowledge to be more effective in your personal/professional interactions with Latinos.

To Register and make payment: <http://tinyurl.com/ku6paed> or mail a check by **April 10, 2015** to The H.I.L.L. of Northeast FL at the above event address.
